

Robert Samuel Houk, class of 1970, earned a Bachelor of Science Degree from Slippery Rock University in 1974 and a Doctorate in Analytical Chemistry from Iowa State University in 1980.

Dr. Houk serves as a Professor of Chemistry and Senior Chemist at Iowa State University. Dr. Houk received many awards for his research and teaching at Iowa State University. His awards include the Anachem Award, the Lester W. Strock Award, the Maurice F. Hassler Award, the ACS Award in Chemical Instrumentation, and the Wilkinson Teaching Award.

He is the author of numerous publications as well as serving as an editor for both national and international journals. In addition, Dr. Houk has been invited to be a guest lecturer at over 200 conferences worldwide.

Dr. Houk belongs to many science societies including the American Chemical Society, Society for Applied Spectroscopy, and the American Society for Mass Spectrometry.
