

# Camp Invention

Hosted by Midwestern Intermediate Unit IV

## Launch your Child's Imagination!

Children are presented with fun, hands-on challenges that encourage creative problem solving, teamwork, entrepreneurship, and innovation. Inspired by the **Inductees of the National Inventors Hall of Fame**, this summer's all-new curriculum allows children to:

**Create** their own personal, ultimate Spy Gadget Alarm Box by taking apart and Upcycling everyday machines.

**Launch** water rocket, build Bubble Blasters, and engineer giant castles.

**Explore** a distant new exoplanet and design inventions to create the next Earth.

**Design** duct tape products and pitch them to mock investors.

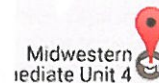

Camp Invention®

## Camp Invention

When

Monday, July 10th, 9pm to Thursday, July 13th,  
3:30pm

[Get Directions](#)

Where

453 Maple Street Grove City, PA
